

PRESS RELEASE

Bastad, 8th of August 2015

August/2015

Amazing week for PCT boats – 3 Premier Dragons and TP52 on the winner`s podium.

4 boats built by *Premier Composite Technologies (PCT)* in Dubai, amongst top 3 at 3 different regattas.

European Championship in the Dragon in Bastad, Sweden: 3 *Premier Dragons* participated at this event. UAE7 (*Transbunker Sailing Team*) helmed by the Olympic winner Evgenij Braslavets won the Championship with an incredible lead of 26 points! In second place UAE20 raced by *Team Premier*. The 5th Premier Dragon prototype was launched in Bastad and was raced very well by its new crew the *Sophie Racing Team* (SUI311).

UAE7 (Georgiy Leonchuck, Evgenij Bvrsavets, Sergei Pugachev) win Dragon European Championship.

Austrian Championship, Lake Attersee, Austria: "Desert Holly" (GER1162) another *Premier Dragon* wins *Austrian Championship*. Helmsman Stephan Link: "Already on Saturday we had won the title of *International Champion of the Dragon Class in Austria!* With four 1st places and one 4th place we had an

immense lead and didn't have to start in the final race of the championship".

GER 1162 (Michael Lipp, Stephan Link, Frank Butzmann) win Austrian Championship.

Copa del Rey, Palma de Mallorca, Spain: The TP52 one design „Platoon“ built by PCT early this year finishes 3rd at one of the most prestigious regattas in the Mediterranean. Tactician Markus Wieser: “The last 2 races went really well for us, 2nd at the World Championship, now 3rd at the Copa del Rey. The boat is fast and our team is getting better and better”.

PCT build "Platoon" 3rd at Copa del Rey.
